Profile

Established in the year of **1996** as a sole proprietorship firm, we, **P. J. Tex**, are a leading manufacturers, suppliers and exporters of attractively designed **Sequin fabric, Sequin embroidery, Thread & Full Sequin Embroidery Fabrics and Laces**. In addition to this, we are offering a qualitative range of **Digital Printing Fabrics** to the patrons. We use cutting-edge techniques and technologies to manufacture the entire range of fabrics. Owing to the high aesthetic appeal and attractive designs these fabrics are highly demanded in various textile & garment industries. Ideal for making designer ladies apparel such as sarees and suits, these fabrics are highly acclaimed for their skin-friendliness and soft texture. Offered laces are widely used for the embellishment of garments and ornaments.

Our modernized infrastructure facility helps us in carrying out all the business operations with ease. For smooth execution of all the processes, we have divided our sprawling into various departments. These divisions are manufacturing, quality controlling, packaging, logistic, warehousing and administrative. Further, for handling all the units, we have appointed a team of expert professionals. These professionals are well-versed with the entire process and help us in accomplishing the pre-defined organizational goals. Also, owing to the dedicated efforts and hard work of our professionals, we have developed a huge clientele all across the Indian Subcontinent, Central America, North Europe, South America, South/West Europe and North America markets.

Under the valuable guidance of our owner, **Mr. Paresh Bhai Shroff**, we have been successful in staying ahead of our counterparts. His vast industrial experience and in-depth knowledge of this domain have helped us in winning the trust & confidence of our clients.
